

Thank you

AS the captain of the John Muir Mustang Riders and on behalf of the whole bike team, I want to say , from the bottom of my heart, thank you, for your hard work and determination in providing my entire team the equipment needed to go out on our weekly rides. In return, I will take care and make great use of the equipment and ensure that your work was not in vain. I also know that our advisor, Mr. Kim, has worked hard to reach out to you and have granted our wish. I hope that we can continue this relationship and, in the future, make it better and able to meet you in person. I also want to thank you for supporting all of the other athletic departments in John Muir High School. Not only that, I want thank you for supporting all of the other schools in the entire Pasadena District. I know that I sound like a broken record, but thank you, for supporting me, my team, my school, and the rest of the Pasadena Unified School district. Thank you.

Respectfully Submitted,
Carlos Sosa Corona
